THE CHIEF CONSERVATOR OF FORESTS

IN MYSORE, BANGALORE.

No. B3-GFL-3009/63-64.

Encls. 5

Date... 2 June, 1964, ...

To

The Secretary to Government, ...
Agriculture & Forest Department,
..... Bangalore.....Sub: Lands - Acquisition of Forest lands for the
High Level Canal Scheme - Payment of cost of
plantations planted in the Forest lands -
Regarding.

The Secretary, Tungabhadra Board has requested to hand over the Forest area in S.Nos. 1053, 1073, 1077, 1050, 1051 and 1052 of Daroji Village, Sandur Taluk required for excavation of High Level Canal. The excavation of the canal involves the release of an area of 21.69 acres in Thorangallu Forest plantation, Hospet Range. The Conservator of Forests, Bellary Circle, Bellary reports that out of 21.69 acres required to be released, the Department has raised plantation in an area of 2 acres at a cost of Rs.209/- during 1958-59 and that it has been maintained at a cost of Rs.291/-. The Conservator of Forests proposes to release the area of 21.69 acres after recovering Rs.500/- from the Tungabhadra Board being the cost incurred by the Department in raising and maintenance of the plantation in an area of 2 acres. In this connection a copy of letter from the Secretary, Tungabhadra Board and a copy of report from the Conservator of Forests, Bellary are enclosed for perusal. I feel that since the area is required for a public purpose by a Government Department and as the amount involved is very small, there is no objection to release the area ~~without~~ recovering any compensation from the Tungabhadra Board. Orders of Government may be issued immediately.

I am instructing the Conservator of Forests, Bellary Circle, Bellary to permit the Tungabhadra Board to carry on the work in anticipation of Government sanction. My action may please be ratified.

Yours faithfully,

Chief Conservator of Forests.

Copy of letter No.774/B1/64-1, from the Secretary, Tungabhadra Dam, Bellary District, Mysore State, addressed to the Chief Conservator of Forests in Mysore, Bangalore.

Sub:- Lands - Acquisition of Forest lands for the High Level Canal Scheme - Payment of cost of plantations planted in the Forest lands - Regarding.

.....

I am directed to state that the Executive Engineer, High Level Canal Division No.2, Bellary sent up proposals for the acquisition of portions of S.Nos. 1053, 1073, 1077, 1050, 1051 and 1052 of Daroji village in Sandur Taluk as they are required for excavation of High Level Canal. The Deputy Commissioner, Bellary has stated that these lands are classified as "Reserve Forest lands" and they are at the ~~disposal~~ disposal of the Forest Department. He has further mentioned that as the question of either instituting land acquisition proceedings or payment of compensation does not arise, the only ~~xxx~~ thing to be done is to transfer the lands from Forest Department to Public Works Department (High Level Canal) poromboke.

2. It has further been stated by him that the Divisional Forest Officer, Bellary has intimated to him that a sum of Rs.500/- has to be reimbursed to the Forest Department if the lands were to be placed at the disposal of the Executive Engineer, High Level Canal Division No.2, Bellary as plantations have been raised in them and which are not yet ripe for exploitation.

3. As the Deputy Commissioner, Bellary has mentioned that no compensation need be paid if lands of one Government Department are transferred to another Government the question of payment of Rs.500/- does not arise. Moreover there is no provision in the Land Acquisition Act for the payment of the amount. I am therefore to request you kindly to direct the Divisional Forest Officer, Bellary to hand over the said land to the Special Assistant Commissioner, No. IV, Bellary without insisting upon the payment of compensation.
